AGENDA

12:00 – 12:05pm	Virtual Sign-In and Introductions
12:05 – 1:15pm	Minor Guardianship has replaced Nonparent Custody in Washington State, yet many potential clients still need to seek legal custody of a child they are caring for. This CLE will provide an overview of the new law, resources available for pro se NLC clients, and information about the court processes in King County for Minor Guardianship. This training should be valuable to all NLC attorney volunteers, and especially family law volunteers, since Minor Guardianship has parallels to Nonparent Custody, a former family law statute.
